

Get Your Students Involved!

Integrating Current Students Into Your Business
Practices

Learning Outcomes

- Explore opportunities to involve current students into University programs
- Learn about ways RO involves current student volunteers
- Explore example of student volunteer involvement in faculties
- Brainstorm ideas to take back to your institution

Energizer

UAlberta Ambassador Program

Student Advisory Committee

- 35-40 current students sit on committee
- Provide feedback and input on RO initiatives
- Create connections between students and RO
- Current student resource to on-campus partners

Involving Students at U of A

Student Advisory Committee

- Entrance scholarship program
- Awards application
- Money Talks workshop activities

Student Connect

- Provide triage in Student Service Centre
- Check-in Financial Aid Appointments
- Collaborate with Financial Aid Advisors

VIP Tours

- VIP tours and on-campus experiences for scholars
- Loran Scholars and Schulich Nominees

Event Support

Advancement Donor Events

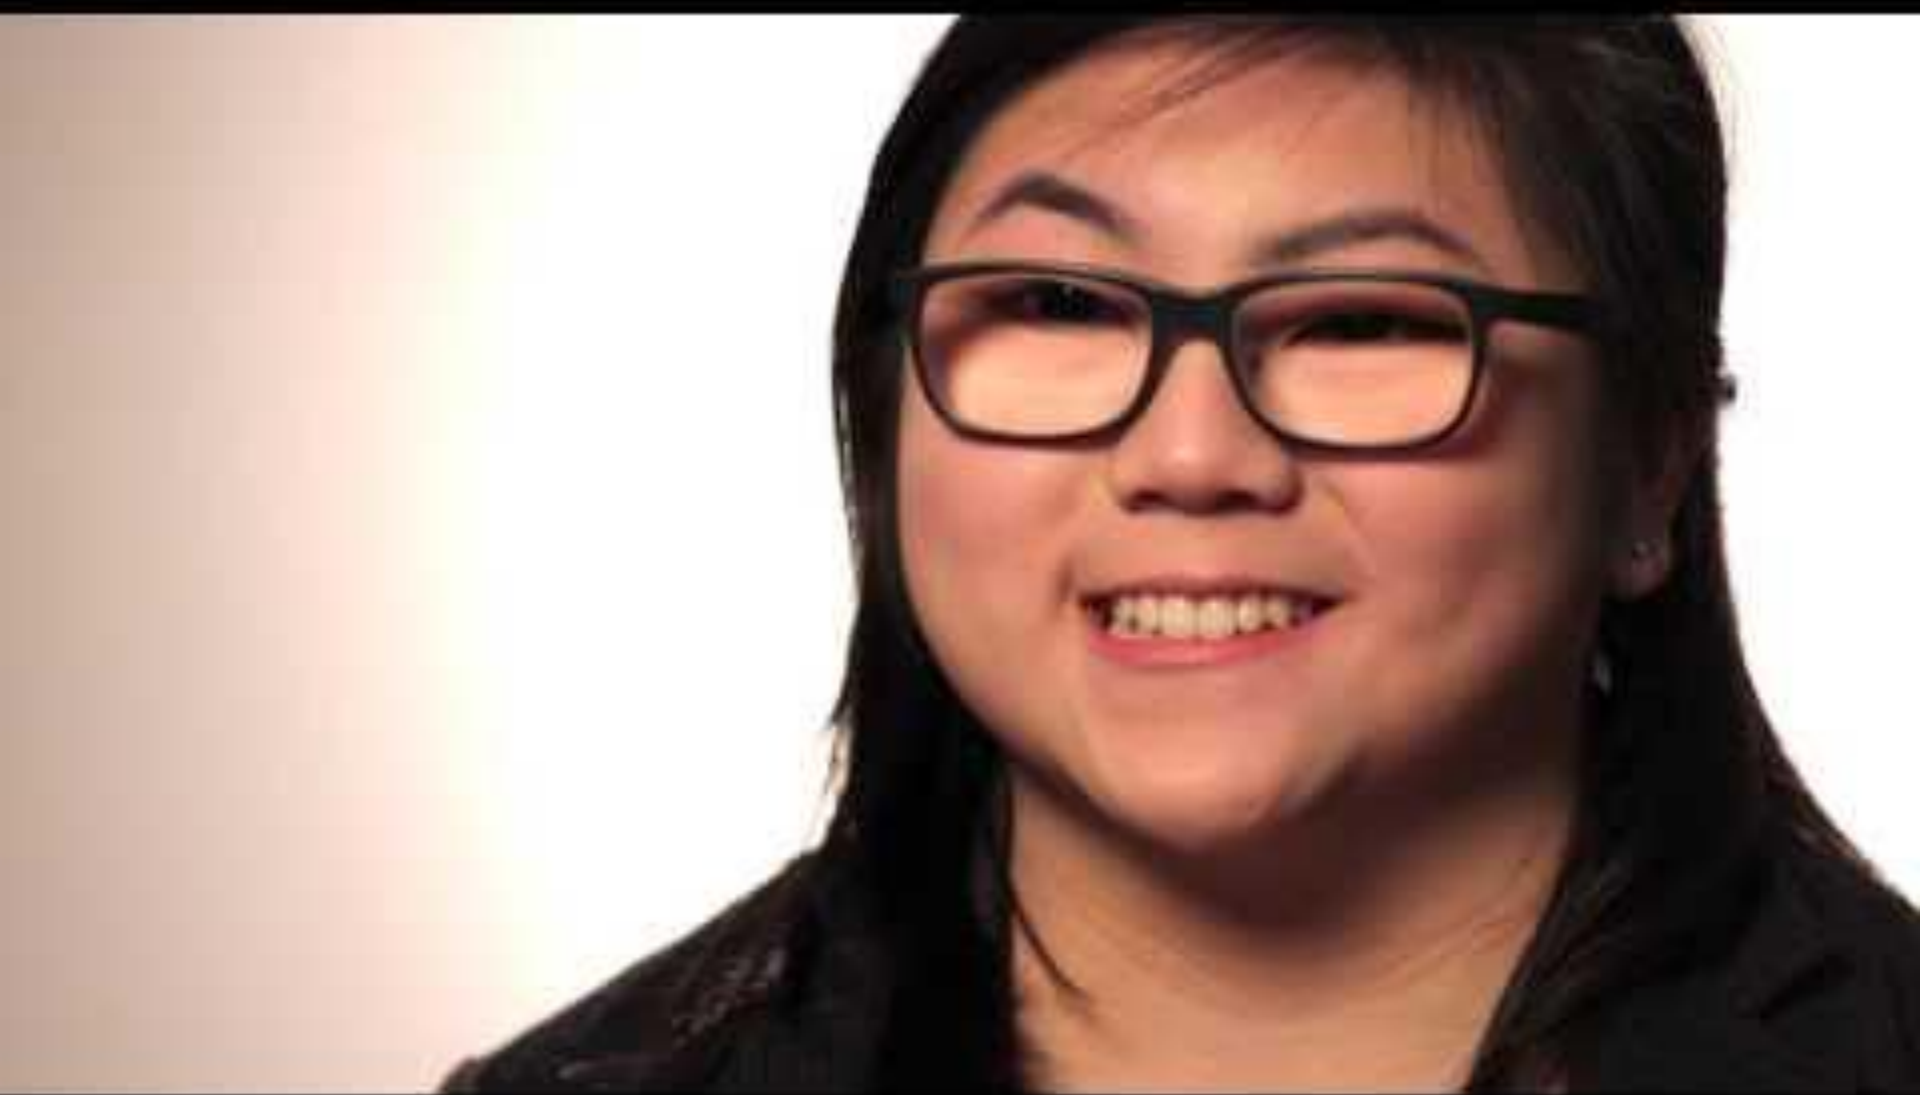

Donor Thank You Cards

Faculty of Science

- In 2017, Faculty of Science hosted a thank-you day
- Students were invited to share their stories gratitude toward our donors
- Response was overwhelming
- A student Thank You video was also created.

Recruitment Initiatives

- Online recruitment presentations
- on-campus events
- Current student presentations in their own high schools
- Current student videos

Building a Successful Volunteer Program

- Selection process
- Training

Recognition & Community

UAlberta Ambassador Program

Feature Ambassador

Outside class, fourth-year science student Amy conducts and taste-tests her own baking experiments.

Community

Triage

Tours

Partnerships

- Explore student volunteer programs that currently exist on your campus
- Build collaborative partnerships to support your programs

Questions?

Group Discussion

- In what ways do you currently involve students in your department or unit?
- What new strategies and initiatives for integrating students into your business practices could you take back to your department or unit?

Thank you!
